St. Clair Circuit Court

Family Division

LC No. 96-000093

Before: O'Connell, P.J., and Jansen and Collins, JJ.

MEMORANDUM.

Respondent-appellant appeals as of right from the family court order terminating her parental rights to the minor children. We affirm.

The record indicates that the family court conducted a sufficient inquiry into the voluntariness of respondent-appellant's release of her parental rights under MCL 710.29(6); MSA 27.3178(555.29)(6). Further, the court did not abuse its discretion in denying respondent-appellant's motion for rehearing to revoke the release. *In re Curran*, 196 Mich App 380; 493 NW2d 454 (1992); *In re Blankenship*, 165 Mich App 706; 418 NW2d 919 (1988).

Respondent-appellant has waived appellate review of her argument that she did not voluntarily release her parental rights by failing to argue this issue in her appellate brief. *In re JS & SM*, 231 Mich App 92, 98; 585 NW2d 326 (1998).

Affirmed.
